Jump Into The Void

Did we see our own shadow? Nah, it's just February and time for some more awesome science fiction deals.

When did we begin depending on a big rodent to tell us if winter was over? First Groundhog Day The first official Groundhog Day celebration took place on February 2, 1887, in Punxsutawney, Pennsylvania. It was the brainchild of local newspaper editor Clymer Freas, who sold a group of businessmen and groundhog hunters—known collectively as the Punxsutawney Groundhog Club —on the idea.

Science Fiction has been referred to as the literature of imagination. It deals with futuristic science, technology, space travel, time travel, faster than light travel, parallel universes, and extraterrestrial life. These authors have presented a wide variety of subjects and stories. I'm proud to say that 3 of mine, one from each of my series is included here.

And please don't forget--Honest reviews are critical to all authors - please take two minutes to tell us what YOU think of our work. Reviews don't have to be long and analytical. Just say what you think as though chatting with a friend. PLEASE, ALWAYS WRITE A REVIEW for any book you read or audiobook you listen to.

REVIEWS MATTER!

If you would like to get free advance copies of my books, I have a few spaces left for ARC readers who are willing to provide a review of my books.

You received this email because you signed up on my website or agreed to receive the newsletter during a book promotion. I add readers to my mailing lists from Book Funnel, AuthorXPromotions and a few other promotional sites that promote books by multiple authors. I write in several genres so a few of my books do cross multiple genres, so you may receive a newsletter from me announcing a promotion because I am promoting a book that meets the general description of the genre.
